Room 7637, Department of State
Phone: 632-2002

FROM: David B. Low
National Intelligence Officer at Large
Room 5G00, CIA Headquarters

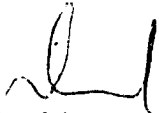

UNCODED

25X1

FOR: AmEmbassy Managua

1. Under the circumstances of the deterioration in the economy which has occurred over the last eighteen months, please identify specifically those aspects (crops, raw materials, utilities, infrastructure, portions of the labor force, or others) of the economic production and distribution capacity of the country which have become most critical to the maintenance of export earnings over the next twelve months.

2. Response needed by COB Friday, July 15.

David B. Low
